

SuperSafe Child Crusader Contribution Form

Yes! I want to help save children's lives in my community! Please take this donation and apply it to a school in my area so they can receive the Fourteen Days to a Safer Child Lesson Day-Planner™ and all its materials. That way, children can be taught how to spot danger and avoid tragedies. I will receive a Certificate of Participation suitable for framing and mention in press releases and on the National Directory of SuperSafeChild contributors. Please check contribution below.

* (required field)
